2020 ANNUAL MEETING OF STOCKHOLDERS**

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this Proxy Statement and the enclosed proxy card because the Board of Directors of STRATA Skin Sciences, Inc. (“we”, “us”, “our”, or “the Company”) is soliciting your proxy to vote at our 2020 Annual Meeting of Stockholders (the “Annual Meeting”). You are invited to attend the Annual Meeting, and we request that you vote on the proposals described in this Proxy Statement. You do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or you may grant a proxy to vote your shares by means of the telephone or on the Internet.

We intend to mail this Proxy Statement and the accompanying proxy card together with our 2019 Annual Report to Stockholders on or about November 30, 2020 to all stockholders of record on November 3, 2020 entitled to vote at the Annual Meeting. Each share of common stock outstanding on the record date will be entitled to one vote.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on November 3 2020 will be entitled to vote at the Annual Meeting. On this record date, there were 33,769,958 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on November 3, 2020, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on November 3, 2020, your shares were held not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. Since you are not the stockholder of record, however, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid legal proxy from your broker or other agent.

What am I voting on?

There are five matters scheduled for a vote to:

1. elect six (6) director nominees named in this proxy statement
2. approve the amendment to our Fifth Amended and Restated Certificate of Incorporation to include a provision to designate the Delaware Chancery Court as the exclusive forum for certain legal actions;
3. consider an advisory vote to approve the compensation of the Company’s named executive officers;
4. ratify the appointment by the Audit Committee of our Board of Directors of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020;
5. authorize the adjournment of the meeting, if necessary, even if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of Proposal Nos. 2, 3 and 4;
6. conduct any other business properly brought before the meeting

How do I vote?

You may either vote “For” all the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For each of the other matters you may vote “For” or “Against” or abstain from voting.

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, or vote by proxy using the enclosed proxy card or via the Internet or telephone (see “Voting Via the Internet or by Telephone” below). If you vote by proxy, your shares will be voted as you specify on the proxy card. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the Annual Meeting, and we will give you a ballot when you arrive at the Annual Meeting, follow the instructions on the website.
- To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Voting Via the Internet or by Telephone

Stockholders may grant a proxy to vote their shares by means of the telephone or via the Internet. The laws of the State of Delaware, under which we are incorporated, specifically permit electronically transmitted proxies, provided that each such proxy contains or is submitted with information from which the Inspector of Elections can determine that such proxy was authorized by the stockholder.

The telephone and Internet voting procedures below are designed to authenticate stockholders' identities, to allow stockholders to grant a proxy to vote their shares and to confirm that stockholders' instructions have been recorded properly. Stockholders granting a proxy to vote via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which must be borne by the stockholder.

Stockholders of record may go to www.proxyvote.com to grant a proxy to vote their shares by means of the Internet. They will be required to provide the control number contained on their proxy cards. Any stockholder using a touch-tone telephone may also grant a proxy to vote shares by calling **1 -800-690-6903** and following the operator's instructions.

General Information for All Shares Voted Via the Internet or by Telephone

Votes submitted via the Internet or by telephone must be received by 11:59 p.m. EST on December 29, 2020. Submitting your proxy via the Internet or by telephone will not affect your right to vote in person should you decide to attend the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card or voting instructions as instructed by your broker, bank or other agent to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid legal proxy from your broker, bank, or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

Most beneficial owners whose stock is held in street name receive instructions for granting proxies from their banks, brokers or other agents, rather than the proxy card.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of our common stock you own as of November 3, 2020.

What if I return a proxy card but do not make specific choices?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board of Directors on the matters presented in this Proxy Statement and as the proxy holders may determine in their discretion for any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held in an account at a bank, brokerage firm, broker-dealer or other similar organization, then you are a beneficial owner of shares held in street name. In that case, you will have received these proxy materials from that organization holding your account and, as a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote the shares held in your account. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on routine matters as determined in accordance with NYSE Rule 452 by The New York Stock Exchange. A “broker non-vote” results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. We believe that your broker or nominee may not have discretionary voting power with respect to any proposal to be considered at this meeting other than Proposal No. 6. You may not vote shares held in street name at the Annual Meeting unless you obtain a legal proxy from that organization holding your account.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed and posted proxy materials, we will bear the cost of proxies solicited by the Board of Directors. In addition to the solicitation of proxies by mail, solicitation may be made personally or by telephone or electronic communication by our directors, officers and employees, none of whom will receive additional compensation for these services. We will also reimburse brokers and other nominees for their reasonable out-of-pocket expenses incurred in connection with distributing forms of proxies and proxy materials to the beneficial owners of common stock.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You may revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of four ways:

- you may submit a proxy with a later date that is received by us prior to the Annual Meeting;
- you may send a written notice, dated later than the proxy, that you are revoking your proxy to our Secretary at 5 Walnut Grove Drive, Suite 140, Horsham, Pennsylvania 19044 that is received by us prior to the Annual Meeting;
- you may vote by telephone or via the Internet; or
- you may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you must follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's annual meeting?

Under Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), our stockholders may present proper proposals for inclusion in our Proxy Statement and for consideration at the next annual meeting of stockholders by submitting their proposals to us in a timely manner. In order to be considered for inclusion in the Proxy Statement distributed to stockholders prior to the annual meeting of stockholders in the year 2021, a stockholder proposal must be received by us no later than October 1, 2021 and must otherwise comply with the requirements of Rule 14a-8.

TABLE OF CONTENTS

In order to be considered for presentation at the annual meeting of stockholders in the year 2021, although not included in the Proxy Statement, a stockholder proposal or nomination(s) must comply with the requirements of our Fifth Amended and Restated Bylaws (the “Bylaws”) and be received by us not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year’s annual meeting; provided, however, that in the event that the date of the 2020 annual meeting is more than thirty (30) days before or more than sixty (60) days after December 30, 2021, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the one hundred and twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by us. For the 2021 Annual Meeting of Stockholders, this period will begin on September 1, 2021, and end on October 1, 2021. In the event that the number of directors to be elected to the Board of Directors of the Corporation is increased and there is no public announcement (as defined in the Bylaws) by the Company naming all of the nominees for director or specifying the size of the increased Board of Directors at least 75 days prior to the first anniversary of the preceding year’s annual meeting (or, if the annual meeting is held more than 30 days before or 60 days after such anniversary date, at least 75 days prior to such annual meeting), a stockholder’s notice required by the Bylaws shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company. Stockholder proposals should be delivered in writing to STRATA Skin Sciences, Inc., 5 Walnut Grove Drive, Suite 140, Horsham, Pennsylvania 19044, Attention: Secretary. A copy of our Bylaws may be obtained from us upon written request to the Secretary.

How are votes counted?

Votes will be counted by the Inspector of Elections appointed for the meeting, who will separately tabulate “For”, “Against” and “Withhold” votes, abstentions and broker non-votes.

How many votes are needed to approve each proposal?

- Proposal No. 1, the election of directors, the six nominees receiving the most “For” votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will not constitute or be counted as votes cast for purposes of this proposal. Stockholders do not have the right to cumulate their votes for directors.
- Proposal No. 2, approval of the amendment to our Fifth Amended and Restated Certificate of Incorporation to include a provision to designate the Delaware Chancery Court as the exclusive forum for certain legal actions must receive the affirmative vote of the holders of a majority of the Company’s outstanding shares of common stock is required to approve this proposal. Accordingly, abstentions and broker non-votes will have the same effect as an “Against” vote.
- Proposal No. 3, an advisory vote to approve the compensation of the Company’s named executive officers must receive a “For” vote from the majority of shares present and entitled to vote either in person or by proxy to be approved. Abstentions are treated as present and entitled to vote and therefore will have the same effect as an “Against” vote. Broker non-votes will have no effect on the outcome of the vote. Although the advisory vote to approve our named executive officer compensation are non-binding, as provided by law, the Compensation Committee of our Board of Directors will review the results of the vote and take them into account in making a determination concerning executive compensation.
- Proposal No. 4, the ratification of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020, must receive a “For” vote from the majority of shares present and entitled to vote either in person or by proxy to be approved. Abstentions will have the same effect as an “Against” vote. Broker non-votes will have no effect on the outcome of the vote.
- Proposal No. 5, authorization to adjourn the meeting, if necessary, even if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of Proposal Nos. 2, 3 and 4, requires the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes will not constitute or be counted as votes cast for purposes of this proposal.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least one-third of the outstanding shares of common stock entitled to vote are represented by votes at the Annual Meeting or by proxy. On the record date, there were 33,769,958 shares of common stock outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting or by telephone or via the Internet. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the meeting or a majority of the votes present at the Annual Meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K filed by us within four business days following the Annual Meeting.

How can I obtain additional copies?

For additional copies of this Proxy Statement and the enclosed proxy card and 2019 Annual Report to Stockholders, you should contact our corporate office at STRATA Skin Sciences, Inc., 5 Walnut Grove Drive, Suite 140, Horsham, Pennsylvania 19044, Attention: Secretary, telephone (215) 619-3200.

CORPORATE GOVERNANCE**Independence of the Board of Directors**

As required under the listing standards of the NASDAQ Stock Market (“NASDAQ”), a majority of the members of a listed company's Board of Directors must qualify as “independent,” as affirmatively determined by the Board of Directors. Our Board of Directors consults with our counsel to ensure that the Board of Director's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of NASDAQ, as are in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and us, its senior management and its independent registered public accounting firm, the Board of Directors has affirmatively determined that the majority of our directors and director nominees are independent directors within the meaning of the applicable NASDAQ listing standards. Except for Dr. Rafaeli, our President and Chief Executive Officer, all other current members of the Board of Directors are independent under the applicable listing standards of NASDAQ.

Board Leadership Structure

Our Board of Directors administers its risk oversight function as a whole by making risk oversight a matter of collective consideration. While management is responsible for identifying risks, our Board of Directors has charged the Audit Committee of the Board of Directors with evaluating financial and accounting risk, the Compensation/Nominating and Governance Committee of the Board of Directors with evaluating risks associated with employees and compensation. Investor-related risks are usually addressed by the Board as a whole.

The Board of Directors met 10 times during the last fiscal year. During the last fiscal year, the Audit Committee met 15 times, and the Compensation/Nominating and Governance Committee met 2 times. All directors attended at least 75% of the aggregate meetings of the Board of Directors and the committees on which they served that were held during the period in which they were a director and a committee member.

Information Regarding the Board of Directors and its Committees

Our Board of Directors has an Audit Committee and a Compensation/Nominating and Governance Committee. The following table provides membership information for each of these committees:

NAME	AUDIT	COMPENSATION/ NOMINATING AND CORPORATE GOVERNANCE
Dr. Uri Geiger, Chairman		
Samuel E. Navarro	X	
Nachum Shamir		X*
LuAnn Via	X*	X
Samuel Rubinstein	X	X

* Committee Chair

Below is a description of each committee of the Board of Directors. Each of the committees has authority to engage independent advisors, as it deems appropriate to carry out its responsibilities. The Board of Directors has determined that each member of each committee meets the applicable rules and regulations regarding “independence” and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to us.

Audit Committee

The current members of our Audit Committee are LuAnn Via (Chair), Samuel Rubinstein, and Samuel Navarro, each of whom we believe satisfies the independence requirements of NASDAQ and the SEC. Ms. Via chairs this committee and has been designated as the “Audit Committee financial expert” under Item 407(d)(5) of Regulation S-K. The Board of Directors determined that each member of the Audit Committee satisfies the independence and other composition requirements of the SEC and NASDAQ. Our Board of Directors has determined that each member of the Audit Committee has the requisite accounting or related financial expertise required by applicable NASDAQ rules. Our Audit Committee assists our Board of Directors in its oversight of:

- appointing, evaluating and determining the compensation of our independent auditors;
- reviewing and approving the scope of the annual audit, the audit fee and the financial statements;
- reviewing disclosure controls and procedures, internal control over financial reporting, any internal audit function and corporate policies with respect to financial information;
- reviewing other risks that may have a significant impact on our financial statements;
- preparing the Audit Committee report for inclusion in the annual proxy statement;
- establishing procedures for the receipt, retention and treatment of complaints regarding accounting and auditing matters;
- approving all related person transactions, as defined by applicable SEC Rules, to which we are a party; and
- evaluating annually the Audit Committee charter.

The Audit Committee works closely with management as well as our independent auditors. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from us for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties.

The charter of our Audit Committee is available in the Corporate Governance section of the Investor Relations section of our website at www.strataskin.com.

Compensation/Nominating and Corporate Governance Committee

The current members of our Compensation/Nominating Corporate Governance Committee are Nachum Shamir (Chair), LuAnn Via, and Samuel Rubinstein, each of whom we believe satisfies the independence requirements of NASDAQ. Mr. Shamir chairs this committee. The purpose of our Compensation/Nominating and Governance Committee is to assist in the responsibilities of the Board of Directors relating to compensation of our executive officers. In addition to its role in compensation matters, the purpose of our Compensation/Nominating and Corporate Governance Committee is to review all Board of Director-recommended and stockholder-recommended nominees, determine each nominee's qualifications and to make a recommendation to the full Board of Directors as to which persons should be the Board of Directors' nominees. Specific responsibilities of the committee include:

- reviewing and approving objectives relevant to executive officer compensation;
- evaluating performance and recommending to the Board of Directors the compensation, including any incentive compensation, of the Chief Executive Officer and other executive officers in accordance with such objectives;
- reviewing employment agreements for executive officers;
- recommending to the Board of Directors the compensation for our directors;
- administering our equity compensation plans and other employee benefit plans;
- evaluating human resources and compensation strategies, as needed;
- identifying and recommending to the Board of Directors individuals qualified to become members of the Board of Directors;

The Compensation/Nominating and Governance Committee reviews executive compensation from time to time and reports to the Board of Directors, which makes all final decisions with respect to executive compensation. The Compensation/Nominating and Governance Committee adheres to several guidelines in carrying out its responsibilities, including performance by the employees, our performance, enhancement of stockholder value, growth of new businesses and new markets and competitive levels of fixed and variable compensation.

The Compensation/Nominating and Governance Committee considers potential candidates recommended by its members, management and others, including stockholders. In considering candidates recommended by stockholders, the committee will apply the same criteria it applies in connection with candidates recommended by the Compensation/Nominating and Governance Committee. Stockholders may propose candidates to the Compensation/Nominating and Governance Committee by delivering a notice to the Compensation/Nominating and Governance Committee that contains the information required by the Bylaws. The Compensation/Nominating and Governance Committee did not pay any fee to any third party to search for, identify and/or evaluate the 2020 nominees for directors.

The Compensation/Nominating and Governance Committee does not maintain a formal diversity policy with respect to the identification or selection of directors for nomination to the Board of Directors. Diversity is just one of many factors the Compensation/Nominating and Governance Committee considers in the identification and selection of director nominees. The Company defines diversity broadly to include differences in race, gender, ethnicity, age, viewpoint, professional experience, educational background, skills and other personal attributes that can foster board heterogeneity in order to encourage and maintain board effectiveness.

The charter of our Compensation/Nominating and Governance Committee is available in the Corporate Governance section of the Investor Relations section of our website at www.strataskin.com.

The Board of Directors' Role in Risk Oversight

While management is responsible for identifying risks, the Board of Directors has charged the Audit Committee of the Board of Directors with evaluating financial and accounting risk and the Compensation/Nominating and Governance Committee of the Board of Directors with evaluating risks associated with employees and compensation. Investor-related risks are usually addressed by the Board of Directors as a whole.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” ALL OF THE NOMINEES IN PROPOSAL NO. 1.

PROPOSAL NO. 2

TO INCLUDE A PROVISION TO DESIGNATE THE DELAWARE CHANCERY COURT AS THE EXCLUSIVE FORUM FOR CERTAIN LEGAL ACTIONS

The Board of Directors is proposing, for stockholder approval, an amendment to the Charter to add a new provision designating the Court of Chancery of the State of Delaware, to the fullest extent permitted by law, as the sole and exclusive forum for specified legal actions unless otherwise consented to by the Company. This designation of the Court of Chancery of the State of Delaware would apply to (1) any derivative action or proceeding brought on behalf of the Company, (2) any action asserting a claim of breach of a fiduciary duty owed by any current or former director, officer or other employee or stockholder of the Company to the Company or the Company's stockholders, (3) any action asserting a claim arising pursuant to any provision of the DGCL, or (4) any action asserting a claim governed by the internal affairs doctrine. The forum selection provision does not apply to investor claims that arise outside of the internal affairs of the corporation, such as securities claims arising out of a violation of the Securities Act of 1933, as amended (the “Securities Act”), or the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Unless the Company consents in writing to the selection of an alternative forum, U.S. federal district courts will be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act.

The Board believes that the addition of this exclusive forum provision is in the best interest of the Company and its stockholders. This proposal should be read in conjunction with and is qualified in its entirety by reference to the text of the proposed amendment attached to this proxy statement as Appendix A

Reasons for the Proposal

In light of the benefits of an exclusive forum provision, the Board has determined that it is advisable and in the best interests of the Company and its stockholders to amend the Charter to provide for the exclusive forum provision.

Currently, plaintiffs seeking to bring claims against the Company for matters to which the exclusive forum provision relates could use the Company's diverse operations to bring duplicative suits in multiple jurisdictions or to choose a forum state that may not apply Delaware law, the Company's state of incorporation, to the Company's internal affairs in the same manner as the Court of Chancery of the State of Delaware would do so. The proposed provision is intended to avoid subjecting the Company to the expense and other costs of duplicative lawsuits in multiple jurisdictions. While an exclusive forum provision may limit a stockholder's ability to bring a claim in a judicial forum that the stockholder finds favorable for disputes within the scope described above, the Board believes that the ability to require such actions to be brought in a single forum that is expert in applying the law of the Company's state of incorporation provides numerous efficiencies and benefits to the Company and its stockholders that outweigh those considerations.

Delaware offers a specialized Court of Chancery of the State of Delaware to address corporate law matters, with streamlined procedures and processes which help provide relatively quick decisions. This accelerated schedule can minimize the time, cost and uncertainty of litigation for all parties. The Court of Chancery of the State of Delaware has developed considerable expertise with respect to corporate law issues, as well as a substantial and influential body of case law construing Delaware's corporate law and long-standing precedent regarding corporate governance. This provides stockholders and the Company with more predictability regarding the outcome of intra-corporate disputes. In addition, this provision would promote judicial fairness and avoid conflicting results, as well as make the Company's defense of applicable claims more focused and economical, such as by avoiding duplicative discovery. For these reasons, the Board believes that providing for the Court of Chancery of the State of Delaware as the exclusive forum for the types of disputes described above is in the best interests of the Company and its stockholders.

No Appraisal Rights

Under Delaware law, the Company's stockholders are not entitled to appraisal rights with respect to the proposed amendment to the Charter to add the exclusive forum provision, and the Company will not independently provide stockholders with any such rights.

Vote Required and Recommendation

The approval of the amendment designating the Court of Chancery of the State of Delaware, to the fullest extent permitted by law, as the sole and exclusive forum for specified legal actions unless otherwise consented to by the Company, as reflected in the amendment, requires the affirmative vote of a majority of the shares of the common stock outstanding and entitled to vote for such proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL NO. 2.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are seeking stockholder input on our executive compensation as disclosed in this proxy statement. The Board and the Compensation/Nominating and Governance Committee actively monitor our executive compensation practices in light of the industry in which we operate and the marketplace for talent in which we compete. We remain focused on compensating our executive officers fairly and in a manner that incentivizes high levels of performance while providing the tools necessary to attract and retain the best talent.

As we describe in the Executive Compensation section beginning on page [13](#), our executive compensation program is designed to create incentives both for strong operational performance in the current year and for the long-term benefit of the Company, thereby closely aligning the interests of management with the interests of our stockholders. For these reasons, the Board recommends stockholders vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the narrative disclosure regarding executive compensation, the compensation tables and any related material disclosed in this proxy statement, is hereby APPROVED.”

As an advisory vote, this proposal is not binding upon the Company. However, the Compensation/Nominating and Governance Committee, which is responsible for designing and administering the Company’s executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Approval of Proposal No. 3 requires the affirmative vote of a majority of the shares present or represented by proxy and voting at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL NO. 3.

PROPOSAL NO. 4

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 and has further directed that the Board of Directors submit the selection of Marcum LLP as our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Stockholder ratification of the selection of Marcum LLP as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board of Directors, on behalf of the Audit Committee, is submitting the selection of Marcum LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of us and our stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL NO. 4.**Principal Accountant Fees**

The following table shows the fees paid or accrued by us for the audit and other services provided by Marcum LLP for 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Audit Fees ⁽¹⁾	\$266,500	\$579,000
Audit-Related Fees ⁽²⁾	—	125,000
Tax Fees ⁽³⁾	—	—
All Other Fees ⁽⁴⁾	—	—
Total	<u><u>\$266,500</u></u>	<u><u>\$704,000</u></u>

- (1) Consists of fees billed for the audit of our annual financial statements, review of financial statements included in our Quarterly Reports on Form 10-Q and services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements. These services were billed in 2019 following Marcum’s engagement in 2019.
- (2) Consists of assurance and related services that are reasonably related to the performance of the audit and reviews of our financial statements and are not included in “audit fees” in this table.
- (3) Consists of all tax related services.
- (4) There were no other fees billed by Marcum LLP for the years ended December 31, 2019 and 2018.

Pre-Approval of Audit and Non-Audit Services

Consistent with the SEC’s rules, the Audit Committee charter requires that the Audit Committee review and pre-approve all audit services and permitted non-audit services provided by the independent auditors to us or any of our subsidiaries. The Audit Committee may delegate pre-approval authority to a member of the Audit Committee and if it does, the decisions of that member must be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee’s pre-approval policy provides as follows:

- First, once a year when the base audit engagement is reviewed and approved, management will identify all other services (including fee ranges) for which management knows it will engage Marcum LLP for the next 12 months. Those services typically include quarterly reviews, specified tax matters, certifications to the lenders as required by financing documents, consultation on new accounting and disclosure standards and, in future years, reporting on management’s internal controls assessment.
- Second, if any new “unlisted” proposed engagement arises during the year, the engagement will require approval of the Audit Committee.

All fees to our independent accounting firm were approved by the Audit Committee.

PROPOSAL NO. 5:**ADJOURNMENT OF THE MEETING**

The Company’s stockholders are being asked to consider and vote upon an adjournment of the meeting, if necessary, even if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of Proposal Nos. 2, 3 and 4.

The affirmative vote of the holders of a majority of the shares present or represented by proxy at the meeting and entitled to vote is required for approval.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL NO. 5

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A single proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you notify your broker or the Company that you no longer wish to participate in “householding.” If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report in the future you may notify your broker or direct your written request to: STRATA Skin Sciences, Inc., 5 Walnut Grove Drive, Suite 140, Horsham, Pennsylvania 19044, Attention: Secretary. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their broker. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
